

# SUSAN EVANS

## UX Designer + Developer

susanev.com

hello@susanev.com

(206) 395-8146

Three years experience leading UX Design and Research. Ten years experience innovating in the computer science education space.

I have a diverse background in UX Design and code and am passionate about improving the human experience by combining deep technical and design knowledge to craft digital experiences.

I love solving challenging problems in diverse teams while using user-centered practices.

## SKILLS

### Design

Rapid prototyping  
Wireframing  
UI design  
Interaction design  
Web design

### Programming

Java  
Python  
Ruby on Rails  
JavaScript  
HTML & CSS

### Tools

Sketch  
Axure RP  
Illustrator  
Indesign  
Photoshop

### Research

Competitive analysis  
Survey Design  
Interviews  
Usability studies  
Participatory Design

## WORK EXPERIENCE

### User Experience Designer

University of Washington LiY!

Feb 2014 – Mar 2016

Designed and usability tested a tool for faculty across the nation to use when creating workshops focused on the advancement of women and under-represented groups in engineering fields.

### Web Designer

PSCSTA

Mar 2014 – Jun 2015

Led the redesign of a website for computer science teachers and students, which included user research, usability studies, implementation and evaluation. Improving access and awareness in the community.

### User Researcher

Ubi Interactive

Dec 2014 – Mar 2015

Collaborated in a student team to conduct user research and usability studies on Ubi's software installation process. All of our recommendations were implemented by Ubi.

### Computer Science Lecturer

University of Washington CSE

Mar 2016 – Present

Design and teach undergraduate and graduate introductory programming courses using a variety of languages including Java, Processing and p5.js.

### Computer Science Instructor

Seattle Public Schools

Sep 2011 – Sep 2015

Led the creation of a rigorous, supportive, 4-year cs program in an ethnically diverse and low-income South Seattle school, which emphasized authentic learning, exploration, and community involvement.

## EDUCATION

### University of Washington

MS in Human Centered Design & Engineering  
Graduated Jun 2016

### University of Arizona

BS in Computer Science and Mathematics  
Graduated Dec 2008
